**2018-2019**

NCSA Members,  
Guests, and Friends,

You are cordially invited to our  
72nd annual convention.

This event is the highlight of our  
year and is a time to showcase the  
achievements of our society and  
members.

We will have great CPE, and  
events to help us reconnect with our  
fellow members . Most importantly  
we will decide on the focus and di-  
rection of our society as we conduct  
the business of our society and elect  
leaders for the upcoming year.

**8 Hours of Accounting CPE**  
**Presented by**  
**Bob Jennings, CPA,EA,CFP**

**Practice Management**

One of the most challenging  
courses ever taken, we jump

right in to changing the outmoded and old  
fashioned billing practices many firms use.

With letters, real-life experiences from  
having sold 3 self-built CPA firms and  
bought over 20 smaller firms and practical  
guidance honed from dozens of mistakes  
we show you how to grow and operate a  
small firm efficiently and profitably while  
dealing with clients and employees. For  
2018, this class includes the rarely availa-  
ble “Exit Strategies” course about  
how to buy, sell, and merge a firm and add  
a partner.
